PRESIDENT'S MESSAGE

Even with the ever changing Texas weather, we've been able to get in plenty of excellent 3-D practice this spring.

The Hill Country Shootout was well attended despite the cold front that brought rain, wind and temperatures in the 40's. I was unable to get as many photos as I wanted.. If anyone did, please share with the editor for the next newsletter.

I caught a bug at Hill Country and was unable to attend the first time shoot at Tink Nathan's in Kerrville and the popular shoot at Memphis. I have no details but that they were successful. So many shoots, so little time!

Although not a TBoT event, the Glenn Parker Memorial Stick Bow Round Up at Chester was well attended by TBoT members. The weather was nearly perfect and the targets were challenging. Even with rising gas prices there were lots of vendors and willing shooters. Different novelty shoots kept shooters busy before and after their official rounds, and competition was keen.

If you have never made this shoot, you should put it on your list. It is always held on the weekend after Mother's Day at the same location, a church camp near Chester, Texas. The accommodations are first class with cabins, mobile homes, and multiple bunk houses available for overnight lodging and a cafeteria manned by volunteers for your three squares a day. A snack bar is usually open in the game room for extended hours. An air conditioned pavilion houses vendors' displays, and a brief church service is held in a small historic chapel on the grounds. The chapel and grounds are on the original homestead of the Kirby family of Kirby Lumber Company fame. As I lost only one arrow and broke one point (not as rocky as Hill Country), I count this as my most successful shoot so far this year. *(See photos and additional story about the Stick bow on page 2.)*

There being no challenges to the incumbent officers, all were installed for another term with the exceptions of Pat Handley resigning as Range Captain after many years of meritorious service and South Texas representative David Oakes resigning for medical reasons. Scott Sagebiel was appointed to replace David for this term. Look Scott up and welcome him into his new position. You may remember him with the Indian teepee exhibit and atlatl demonstration at last year's Hill Country shoot.

In addition to David, Bud Murphy, our North Texas representative, has been on sick call for longer than he would have liked. Keep them in your thoughts.

Take a kid hunting. It's fun!

MESSAGE FROM YOUR SECRETARY

I hope everyone enjoyed the Hill Country Shootout. The weather was excellent and the turnout was good. We had a total of 318 classes shot. We had 89 pre-registrations which included multiple entries and family members. Many thanks to Bryan and Debbie Keeling and Bug Scuffle Ranch for hosting this event.

We also want to extend a special thank you to some of our members who are donating equipment and money for the kids—Ron Foley, Debra and Arvin Weaver and others. Please email me your name and contribution. I apologize, but it was a little hectic for me during this time.

Summer shoots are underway. Please keep in mind some of the shoots on our website are club shoots and not actual TBoT sponsored events. Scores may not be posted for these events. If you have any questions about the shoots, please contact the person listed as the shoot contact, or you may contact me.

If you are receiving this newsletter and your membership has expired, this may be your last. We are in the process of purging the data base of old expired memberships. You can check your information via the website under "Check your TBoT data base information." The system will ask you for last name, city/town, and zip code (it may need the 4-digit extension). If you're not successful, email me at rubletestein@aol.com or call 281-292-6873. As always, there is a membership form in this newsletter you can use to renew.

STICK BOW 2007

The 21st Annual Stick Bow Round Up was held at Camp TaKuLa located in Chester, Texas, on May 19th and 20th. A total of 357 scorecards were issued, a record number for this shoot. The weather was great with cool mornings and comfortable temperatures in the afternoon. Our youngest shooter was three years old, and the oldest was in his 70's +. A total of \$1000 will be donated to cancer research and \$5300 donated to the youth camp where the shoot was held. There was "spirited competition" in the speed shoot, with Bryan Roch winning Saturday and Bryan Keeling winning on Sunday. In the Sky Target competition on Saturday, Danny Long and Bill Turner each shot five targets, with Danny Long the ultimate winner. On Sunday, 45 attended Chapel, with Nicole Rice singing a beautiful solo and Albert Gibson bringing the devotion. Scores are posted on the TBoT website, where you will see that the competition was tough. Remember to circle the weekend AFTER Mother's Day for next year. We are planning to have a crawfish boil on Saturday night. Watch for your flyer with pre-registration form to arrive next February.

See you there.

The Legislative Column, June 2007

The purpose of this column is to provide information on hunting legislation in general and archery regulations in particular.

Following up on pending crossbow legislation: HB 1334

As discussed in previous newsletters the push to permit the use of crossbows by anyone during archery only season is continuing and near success. This bill amends current legislation by deleting the requirement of upper limb disability for crossbow use, the text that has a strike through. This bill has not yet been signed into law.

In March of this year this bill was written to amend existing law to allow crossbow use to those 65 or older. At that time Representative Homer's legislative aide assured me that there was no intent to make crossbow use an option for all legal hunters during archery season. Below is the entire bill as engrossed.

80R13114 ABC-D

By: Homer

H.B. No. 1334

A BILL TO BE ENTITLED

AN ACT

relating to the use of crossbows by certain individuals.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF TEXAS:

SECTION 1. Section 43.201(a), Parks and Wildlife Code, is amended to read as follows:

- (a) Except as provided by Subsection (c) or (d), no person may hunt deer, turkey, or javelina (collared peccary) during an open archery season provided by law or by the proclamations of the commission and during which season only crossbows, [used by hunters with upper limb disabilities and] longbows, recurved bows, and compound bows may be used unless the person has acquired an archery hunting stamp issued to the person by the department. The commission by rule may prescribe requirements relating to possessing a stamp required by this subchapter.

SECTION 2. This Act takes effect September 1, 2007.

The author is Representative Mark Homer of District 3 in northeast Texas. Representative Homer's district phone: (903) 784-0977, capitol phone: (512) 463-0650

And for all you hog hunters there is HB 2543

This bill has the potential to drastically alter the hog hunting industry.

HB 2543 has been signed in the Senate and House of Representatives and sent to the Governor for signing.

Excerpts from the Bill analysis:

The Texas Animal Health Commission (commission) is subject to the Sunset Act and will be abolished on September 1, 2007, unless continued by the legislature. The commission's mission is to prevent, control, and eradicate disease in Texas livestock, exotic livestock, domestic fowl, or exotic fowl. The Sunset review found that the state has a continuing need for the commission, but that the commission needs better tools, flexibility, and clear authority to adapt to a changing animal health environment.

H.B. 2543 enacts the recommendations of the Sunset Advisory Commission regarding the Texas Animal Health Commission.

Excerpts from the bill:

SECTION 12. Subchapter C, Chapter 161, Agriculture Code, is amended by adding Sections 161.0412 and 161.0416 to read as follows:

Sec. 161.0412. REGULATION AND REGISTRATION OF FERAL SWINE HOLDING FACILITIES. (a) The commission may, for disease control purposes, require the registration of feral swine holding facilities.

- (b) To prevent the spread of disease, the commission may require a person to register with the commission if the person confines feral swine in a holding facility for slaughter, sale, exhibition, hunting, or any other purpose

(c) Rules adopted under this section shall include registration requirements, provisions for the issuance, revocation, and renewal of a registration, disease testing, inspections, recordkeeping, construction standards, location limitations, and provisions relating to the treatment of swine in and movement of swine to or from a feral swine holding facility.

(d) Rules authorized by this section may be adopted only for disease-control purposes.

Sec. 161.054. REGULATION OF MOVEMENT OF ANIMALS; EXCEPTION. (a) As a control measure, the commission by rule may regulate the movement of animals, including feral swine. The commission may restrict the intra-state movement of animals, including feral swine, even though the movement of the animals is unrestricted in interstate or international commerce. The commission may require testing, vaccination, or another epidemiologically sound procedure before or after animals are moved.

(e) In connection with the regulation of the movement of feral swine, the commission by rule may require disease testing before movement of a feral swine from one location to another, and establish the conditions under which feral swine may be transported.

(f) The commission's authority to regulate the movement of feral swine may not interfere with the authority of the Parks and Wildlife Department to regulate the hunting or trapping of feral swine.

To find your representatives enter <http://www.fyi.legis.state.tx.us/> and follow the instructions.

Until next time, good luck and good shooting.

MISSING SHOOT RESULTS

The editors did not receive any shoot results for Holliday Creek (March 17-18) or the new shoot in Kerrville (April 22), nor were any posted on the website.

We apologize, but we can print only the scores that are recorded. If someone has these scores and would post them on the website or send them to us, we'll publish them in the next newsletter.

TICK REMOVAL

I had a pediatrician tell me what she believes is the best way to remove a tick. This is great, because it works in those places where it's sometimes difficult to get to with tweezers: between toes, in the middle of a head full of dark hair, etc. Apply a glob of liquid soap to a cotton ball. Cover the tick with the soap-soaked cotton ball and let it stay on the repulsive insect for a few seconds (15-20), after which the tick will come out on its own and be stuck to the cotton ball when you lift it away. This technique has worked every time I've used it (and that was frequently), and it's much less traumatic for the patient and easier for me. Unless someone is allergic to soap, I can't see that this would be damaging in any way. I even had my doctor's wife call me for advice because she had one stuck to her back and she couldn't reach it with tweezers. She used this method and immediately called me back to say, "It worked!"

****WANTED:** TBoT member to become Range Captain. Pat Handley will assist new officer. Contact TBoT President Morris Williams to volunteer —281-491-3362 or 832-282-3362.

****WANTED:** TBoT member to take over as editor of the TBoT Newsletter. The current editor is very busy 24/7 taking care of her 97-year-old mother at her home. I have enjoyed doing this job for approximately seven years. It's just four times a year, but my time is rather restricted now. I have a great relationship with the printer and mailer, which could be maintained by the new editor. I use Publisher and will pass along lots of help. A new editor could change the look or use other software. Please contact Carol Lockhart (Pink Feathers) at carollockhart@iolbv.com if you are interested. I'll be glad to talk at length with anyone about this.

Thanks to Dennis Balusek for donating the lights. Thirty-six shooters participated.

CONGRATULATIONS TO ALL!

Photos on page 11-13 were taken at the Hill Country Shootout.

RAFFLE WINNERS

There were lots of great items for the raffle this year. Thanks to all who donated prizes both large and small. There is a partial list on the next page.

Winners of the hunts were Jim Condry, who won a javelina hunt with Jarred Peeples, and Chris Brown, who won a whitetail hunt with Mike Palmer. Mesquite Outfitters also donated a hunt, but we don't know who won it.

James Young won the axis doe and hog hunt donated specifically for vendors by Bug Scuffle Ranch.

If anyone knows who won the Mesquite Outfitters hunt, please contact the editor (carollockhart@iolbv.com) and we'll publish it in the next newsletter. Also, anyone who donated items that somehow didn't get listed on the next page can contact the editor, and we'll publish that information, also. Apparently things were "busy" during the awards.

Registration Tent

Warming up in the Cool of the Morning

THANK YOU, THANK YOU, THANK YOU!

TBoT sends a big thank you to those who donated items for the raffle and scorecard drawings. We probably don't have all the items or names listed, but here's what we do have:

Balusek family—antler pens and toothpick holders

Richard Epting—bow sock, armguard

Darrin Brown—2 compact broadhead targets, 2 kick and shoot targets

Teresa Foley—cross

Ron Foley—kid's bow

Great Plains—youth bow

James Young—left hand tabs, 1 dozen tapered cedar arrows

Dryad Bows—Osage bow blank and DVD

Butch Gleghorn—2 necklaces, bow case

Bryant Stein—set of candle holders, individual candle stand, Texas clock, base for pedestal game mount

Roland Jenkins and Judy Todacheene—watch

Steve Davis—arm guards

Steve Shedd—CD's

Arvin Weaver — elm selfbow

Hornes Archery—arm guard, glove, broadheads

Scott & Jenn Sagebiel—dozen arrows

Mike Brown—2 arrow cases, 2 knives, 1 multi-tool, snake shine

Chris Brown—Bobble Buck, mosquito repellent

Lynn German—handmade knife and sheath

Sullivan's Outfitters—camp cookware set, gear bag

We also want to thank all those who helped with setting and taking down targets and stakes (with a special thank you to Pat Handley), those who served under the registration tent, those who kept our water supply ready and cool, and a huge thank you to Bryan and Debbie Keeling and Bug Scuffle Ranch for hosting our big spring Hill Country Shootout once again. We know there are those who just pitched in to help with no "thanks" in your mind. We do appreciate the good will of everyone who helped in any way!

One more—Thank you, David Oakes, for your service to TBoT as the South Texas Representative for all these years.

FROM YOUR EDITOR

Please send your submissions to carollockhart@iolbv.com or by mail to TBoT Editor, 2513 Manchester Drive, Bryan, TX 77802. I'll be glad to correct grammar and edit for clarity without relinquishing your intended mood.

Members who submit articles that are published will receive a TBoT hat or t-shirt. Please include your choice with your article or photos, and tell us your t-shirt size, if that is your choice.

This issue was filled with lots of shoot results and photos from the Hill Country Shootout. Next time there won't be so many shoot results, so we need your stories and photos, recipes, helpful hints (such as "tick removal"), and any other interesting things you have to offer. This issue contained the first Classified Ad we've had for several years. It would be a good thing to have lots of ads. Surely many of you have bows hanging around that you haven't shot for years.

Regretfully, I feel that I must seek a replacement for my position as the TBoT Editor. Dan (Ishi) will continue to work on the TBoT website. As explained elsewhere, I'm taking care of my mom at our home, and there just isn't much extra time in my days or weeks, and I don't know what the future months hold in store. Most of you know that we have not attended any shoots since February. I feel certain that there is someone who could edit the TBoT Newsletter. I didn't know much when I started (and still make mistakes). I will be glad to spend time talking with anyone interested in giving it a try. I use Microsoft Publisher for editing, but that would not be necessary. You may contact me by email (see above) or call me at (979) 774-3453.

Your Editor, Carol Lockhart (Pink Feathers)

WHO ARE THE TRADITIONAL BOWHUNTERS OF TEXAS?

If you are reading this, chances are that you are a Traditional Bowhunter of Texas.

Traditional Bowhunters of Texas is a statewide organization of people who prefer to use recurves, longbows, and selfbows as their primary choice of archery equipment. TBoT provides the opportunity for these people to get together and compare equipment, techniques, and hunting philosophies.

TBoT does this by sponsoring gatherings and shoots during the year and through the quarterly newsletter that is sent to all members. TBoT sponsors the Texas Hill Country Shootout each spring. This event is a leisurely weekend of hog and exotic hunting and 3-D shooting. TBoT also holds shoots across the state to offer the membership the opportunity to participate without traveling great distances. TBoT members pay a reduced entry fee at TBoT shoots. At all 3-D type events, children 12 and under shoot free, even if their parents are not members. Also, all children receive trophies, medals, or some other type of award for participation.

The quarterly newsletter contains information about activities within the organization, news of other traditional events across Texas, hunting and tournament photos, and stories—both factual and fictitious—submitted by members. There is a free classified ad section for use by the membership. If a member has a question about equipment or hunting situations, there are a number of bowyers, arrow crafters, and outfitters in the membership to answer questions.

So, if you are still wondering who or what the Traditional Bowhunters of Texas are, chances are, you are one. Why not take time and join today?
