## *President's Message*

Nominations are in and ballots are out for elections of new officers and area representatives. It's time to get your vote in. The 2009 administration faces the daunting tasks installing and refining a new TBoT website and shepherding the new newsletter editor. Please give them your support and volunteer when you can.

I've enjoyed my tenure as TBoT president and hope to see you in the field or on the shooting line.

Thanks, and remember, take a kid hunting,

Morris Williams

## *A message from your Secretary...*

Despite the high cost of fuel, we had 244 shooters in Vanderpool and were blessed with beautiful weather. The 15<sup>th</sup> Annual Hill Country Shoot and Youth Championship at the Bug Scuffle Ranch had a great turnout. I hope everyone enjoyed the shoot as much as I did. We want to thank all those who participated and all those who helped to make this shoot possible. We owe a special thank you to the Ranch and to Bryan and Debbie Keeling. Everyone should know how much work Bryan and Debbie actually do to make this shoot possible, from manicuring the property and the shoot trails, to set up, tear down and clean up. They are much appreciated!

The raffle was a lot of fun and very successful. The rocking chair was a bit hit. We had two raffle winners to announce. The vendor raffle went to the Girl Scouts who cooked for us all weekend and the score card drawing went to Steve Hill, both received \$100. Our members and vendors were all extremely generous with donations. Thank you!

We are in the process of reconstructing the TBoT website. TBoT should be back on the web soon. Most of you know that we lost our webmaster of many years, and fellow archer, Dan Lockhart who recently passed away from illness. He will, without a doubt, be missed.

I want to personally welcome Wesley Adams, our new editor and thank him for accepting this position. Pink Feather's shoes (or should I say moccasins) will be hard to fill but I'm sure Carol will enjoy her break after all these years as editor.

The ballot for election of officers is enclosed. Please complete and mail it back to me. Your vote is important. You can also vote by email or phone.

We have some new life members, Ron Foley, Pete Piper, Doyle Mitchell, Steve Shedd and Todd Smith. We will be sending out certificates suitable for framing to our Life Members. If you are a Life Member and did not receive a certificate or plaque, please let me know.

See you at the shoots!

## **Editors Comments**

I just wanted to say hi to all and ask for a little leeway with the newsletter. Empty spaces, leaving anything out etc. As I am learning, I think my learning curve is on a 5% grade. But it has been fun and I look forward to putting out more in the future.

I'm open to any suggestions and critiques, as long as they aren't too harsh.

Brenda,  
Thank you for "passing the word" about Dan so I could know the comfort of many archery friends.

Thank you for the gift for our church given in memory of Dan. I know it will be well used.

Please pass on to TBoT some way:

Thank you for the beautiful, large plant sent to Dan at Mercy Health Center. It will be enjoyed for a long time. Thanks to those who came to the service in College Station. That meant a lot to me.

Cease striving and know that I am God.....  
Psalm 46:10a

For by grace you have been saved through faith and that not of yourself, it is the gift of God. Not as a result of works, that no one should boast, for we are His workmanship created in Christ Jesus for good works which God prepared beforehand that we should walk in them.

Ephesians 2:8-10

## IT IS WELL WITH MY SOUL

*When peace, like a river, attendeth my way,  
When sorrows like sea billows roll;  
Whatever my lot, Thou has taught me to say,  
It is well, it is well, with my soul,  
It is well, with my soul,  
It is well, with my soul  
It is well, it is well, with my soul.*

*Though Satan should buffet, though trials should come,  
Let this blessed assurance control,  
That Christ has regarded my helpless estate,  
And hath shed His own blood for my soul.  
It is well, with my soul,  
It is well, with my soul,  
It is well, it is well, with my soul.*

*My sin, oh, the bliss of the glorious thought!  
My sin, not in part but the whole,  
Is nailed to the cross, and I bear it no more,  
Praise the Lord, praise the Lord, O my soul!  
It is well, with my soul,  
It is well, with my soul,  
It is well, it is well, with my soul.*

*And Lord, haste the day when my faith shall be sight,  
The clouds be rolled back as a scroll;  
The trump shall resound, and the Lord shall descend,  
Even so, it is well with my soul.  
It is well, with my soul,  
It is well, with my soul  
It is well, it is well, with my soul.*

### Another Day In The Woods Along The Red River

November 15<sup>th</sup>, 7:30 in the morning setting in a tree with my longbow a 64" 50#@ 28" Predator Longbow equipped with cedar arrows and Wensel broad heads. I heard a deer running my direction, as it turns out it was a doe, being chased by an 8pt buck. Around in front of me they went, then back up the hill behind me. A few calls and a few minutes later the doe came back with two bucks chasing. This went on several times to the point where now there were two does and six bucks, within 20 yards still chasing, then all at once they stopped. Facing in the same direction, in walks a buck. I knew this was the one, at 12 yards broadside, I focused on the spot and then the arrow was there. God, thank you, this is GREAT!!!

1 hour and 30 minutes later, I am on the blood trail some 300 yards, NOT GOOD!! So I got get my friends and start again. Some 500 yards later from where I left off, my arrow minus the broached was found but no deer!

Many long , hard days and hours of searching. 2 months later the landowner called my wife with good news. Roughly a mile from my stand.

P.S. Fellow bow hunters, don't ever give up and God bless you all as he has me. And also good hunting!!

### **Hello from northeast Texas**

I hope that everyone made it home safely from the hill country shootout. We really need to express the thanks to our ladies that worked so hard behind the scenes at Vanderpool, they are the ones that make these shoots go as smooth as they do. I hope that everybody has thanked the owners and management of the Bugscuffle Ranch. We had a great start for our youth program and had some very generous donations from the Foley's, Weavers, Body Sandlin and many many others. All of these people are what Tbot is about!

Thanks from Bud Murphy North Texas Rep.

### **Hello fellow TBOT members,**

Another great Hill Country Shoot has come and gone. We couldn't have asked for better weather and from the looks of it fun was had by all.

This was a great introduction into the Range Captain position. With such large shoes to fill, I wasn't sure how it would all turn out, but I owe a large **Thank You** to all that helped. I can't thank each person by name since I wasn't able to meet everyone that actually jumped in, but you know who you are and that your efforts are greatly appreciated.

I would also like to thank everyone in attendance for taking such good care of the range and keeping everything clean. Trash was kept to a minimal which made it much easier to collect when picking up, and you know land owners appreciate it when things aren't blowing around the pasture.

Until you're in the thick of it you don't truly realize how much effort is put into making this event happen, so all I can say is thank you Pat for all of the years your efforts gave us so much fun.

See y'all at the next one,  
Scott Sagebiel

*I would like to thank everyone that helped in providing so many great items to the raffle at the Hill Country Shoot.*

*Scott Sagebiel*

### **Become a head hunter.**

Fix up two or three arrows with judos and start head hunting. Stalk the woods and fields for dangerous wasps/bees. When they land give them a good judo shot and then put just their heads in a small plastic bottle. To make sure you can even find their heads you will learn you have to keep your eyes on where it lands/flops. All that matters is putting 100 heads into your little plastic bottle. After you have done this then start stump shooting and small game hunting out to 20-25yds. When the time is right you will know when to start hunting deer.

Its hard to learn to shoot instinctive on a flat target, a 3D target helps a good deal but nothing works better than stump shooting to find your own instinctive shooting form. You will find that confidence is the greatest ally for the instinctive shooter.

Keep'em sharp!

## Archery in Arizona

My wife Sally and I recently attended the National Muzzle Loaders Rifle Association shoot and rendezvous outside Phoenix. We camped there and for a week shot black powder, archery and threw tomahawks and knives.

I put up the TBoT banner in camp and drew a few inquires from shooters from CA, UT, and NC. Sally and I shot in the archery "Hunters Walk" event (longbows). Afraid I didn't represent TBoT well as I placed fifth. Sally did much better, taking the silver medal in the women's division. She reminds me often. I had to resort to a black powder pistol for my award.

The range encompasses about 4000 acres. The archery portion has a forty target Hunter's Walk, twenty 3-d targets along a creek, a broadhead range out to fifty yards, two regular practice ranges and an official Olympic range out to about 200 meters. Rifle, pistol and shotgun ranges are just as impressive.

The view was spectacular and we met archers from all over the US. If you have never attended a rendezvous I recommend it. Its great fun with fun people.

## ***WHO ARE THE TRADITIONAL BOWHUNTERS OF TEXAS?***

If you are reading this, chances are that you are a Traditional Bowhunter of Texas.

Traditional Bowhunters of Texas is a statewide organization of people who prefer to use recurves, longbows, and selfbows as their primary choice of archery equipment. TBoT provides the opportunity for these people to get together and compare equipment, techniques, and hunting philosophies.

TBoT does this by sponsoring gatherings and shoots during the year and through the quarterly newsletter that is sent to all members. TboT sponsors the Texas Hill Country Shootout each spring. This event is a leisurely weekend of hog and exotic hunting and 3-D shooting. TBoT also holds shoots across the state to offer the membership the opportunity to participate without traveling great distances. TBoT members pay a reduced entry fee at TBoT shoots. At all 3-D type events, children 12 and under shoot free, even if their parents are not members. Also, all children receive trophies, medals, or some other type of award for participation.

The quarterly newsletter contains information about activities within the organization, news of other traditional events across Texas, hunting and tournament photos, and stories—both factual and fictitious—submitted by members. There is a free classified ad section for use by the membership. If a member has a question about equipment or hunting situations, there are a number of bowyers, arrow crafters, and outfitters in the membership to answer questions.

So, if you are still wondering who or what the Traditional Bowhunters of Texas are, chances are, you are one. Why not take time and join today?
