## PRESIDENTS MESSAGE

Hello everyone!

Well the Hill Country Shootout has come and gone and wow what a great shoot it was. We had 263 individual shooters with 411 score cards turned in. I do believe that is a record. It was great seeing old friends and meeting new ones.

We had a little controversy about a high score that was turned in so next year to prevent any questions TBoT will be requiring a 3 person group minimum. There will not be any persons shooting by themselves or in a group of 2. It is sad that TBoT has to do this but this way we will not have the accusations or questions.

This year at the shoot we had several people (in addition to the officers) put in their time to help with the shoot and I would like to personally thank them, if I forget anyone please forgive me. Sandy Stein for working the registration all weekend, Todd Smith for working registration, Peggy Casey for working computer on Sunday, Steve Daniels, Andrew Duffy, Ed Anderson for hauling targets. And all the people (which I do not know exactly who they are because I was not present) that help set the course and take it down. And a special thanks, to all the TboTers who helped to keep the BugScuffle clean and beautiful. We really appreciate it.

All the representatives and officers of TboT will be having a semi annual meeting September 5<sup>th</sup> at 1:00 at the BugScuffle camphouse. If any of the membership has anything that they would like to have addressed please give me a call so I can have it added to the agenda. We would love to hear from you.

Help control the deer population keep your broadheads sharp!

## A Note from your Secretary

Hope everyone enjoyed the Hill Country Shoot. We had 263 individual shooters with 413 cards turned in (we had an additional 65 cards sold and not turned in for a total of 478 cards). Last year we had 298 cards turned in. I'm not sure who hosts the biggest Traditional Shoot in Texas, but surely we must be a contender!

We want to thank all the raffle donors! As always, we had a great raffle. Chris Casady won the First Point hunt, Alex Gutierrez won the Mesquite Outfitters hunt, Todd Smith won the Bugscuffle hunt, Dan Wendell won the hunt at H Bar H Ranch, Greg Ausbrook won the Javelina hunt from Trinity Outfitters and James Hicks won the Cedar bed. Michael Smithwick won the youth hunt at Bar E Ranch, Bryant Stein and Bill Decker won gift certificates towards the purchase of Foley bows and Darrell Knox for a Sarrells bow. Great Plains won the vendor raffle. I know I'm not covering all the great donations, bows, jewelry, hand- made items, so THANKS TO EVERYONE!!!

As this years' shoot ends, we are already working on ways to improve. Any suggestions or help is always appreciated. As we grow, we learn and thus next year we will have a few new rules. One rule which we intend to enforce will be minimum groups of three shooters.

If you have not received a Life Membership Certificate from us, please let me know. You can drop me an e-mail, give me a call, or leave me a message. One last item for Membership, if you have moved or you are planning to move, please give me your new address.

Please visit tbot.org. The website is continuously undergoing changes and our newsletter can be viewed in color on the web, as well as pictures. If you have a story you wish to share with us, send it to me or Peanut, our Editor. All entries printed will receive a free t-shirt or cap. And keep those harvest pictures coming, we love pictures for the website.

Enjoy your summer and keep your eye on the shoot schedule for new events.

Brenda

## Brazoria CO TBoT– March 7, 2009

Life in the open is one of my finest rewards. I enjoy and become completely immersed in the high challenge and increased opportunity to become for a time a part of nature. Deer hunting is a classical exercise in freedom. It is a return to fundamentals that I instinctively feel are basic and right

## The Crossbow Issue

It seems unfair that crossbow legalization can be brought up year after year only to be rejected. Then one day it passes and it's forever a part of the archery only season. That's just like saying in a best of 7 World Series in baseball, that one team only has to win once to be named World Champions forever.

Reminds me about the movie "Eight Men Out", everyone in TX was told upfront the crossbow issue was a forgone conclusion, everyone was told there was no opposition and there wasn't anything the bowhunters could do to stop it. The crossbow hasn't really been opposed to a great degree AFTER its legalization.

My personal wants for TX, now dictated by the crossbow agenda, is to lobby for a new "1968 original archery only season" only during a different time frame in Sept. Recurves, long bows, and compounds with restrictions(65% let off, hand held-hand drawn and hand released, no tigers, and limited to one sight pin). Will this ever happen, maybe when it snows in heck.

But first I'd go back and do exactly what HB968 did, modify the existing law. Restrict the use of crossbows to the handicap, youth and those over 65yrs of age and return the verbage that archery equipment must be hand held, hand drawn, and hand released otherwise. If bowhunters would join together and inflict enough pain and suffering on the ATA-NRA Team by writing letters and a boycott they would welcome this compromise in TX. For some reason the ATA-NRA team think they're bullet proof on this issue, I do not agree.

## *TBoT Web Forum*

I want to welcome and invite all bowhunters to TBoT's new forum page at [tbot.org](http://tbot.org). With Dan Lockhart's passing TBoT lost a great member and website administrator. Its been a long time in coming for TBoT to once again have a working line of communication with its members and other bowhunters so I'm proud to announce TBoT's New Forum Page at [tbot.org](http://tbot.org). You don't have to be a TBoT member to participate or exchange views because its open to all bowhunters and simple to use.

## **WHO ARE THE TRADITIONAL BOWHUNTERS OF TEXAS?**

If you are reading this, chances are that you are a Traditional Bowhunter of Texas.

Traditional Bowhunters of Texas is a statewide organization of people who prefer to use recurves, longbows, and selfbows as their primary choice of archery equipment. TBoT provides the opportunity for these people to get together and compare equipment, techniques, and hunting philosophies.

TBoT does this by sponsoring gatherings and shoots during the year and through the quarterly newsletter that is sent to all members. TboT sponsors the Texas Hill Country Shootout each spring. This event is a leisurely weekend of hog and exotic hunting and 3-D shooting. TBoT also holds shoots across the state to offer the membership the opportunity to participate without traveling great distances. TBoT members pay a reduced entry fee at TBoT shoots. At all 3-D type events, children 12 and under shoot free, even if their parents are not members. Also, all children receive trophies, medals, or some other type of award for participation.

The quarterly newsletter contains information about activities within the organization, news of other traditional events across Texas, hunting and tournament photos, and stories—both factual and fictitious—submitted by members. There is a free classified ad section for use by the membership. If a member has a question about equipment or hunting situations, there are a number of bowyers, arrow crafters, and outfitters in the membership to answer questions.

So, if you are still wondering who or what the Traditional Bowhunters of Texas are, chances are, you are one. Why not take time and join today?
