

### From the President

The days are longer now and warmer , the evenings are filled with cutting grass and pulling weeds in the garden rather than cutting firing lanes and planting food plots. The weekends are for cookouts and family fellowship.

There are still quiet a few shoots on the schedule for East Texas and the Panhandle regions. We are still having great turnouts even with the tough economy.

We would like to thank the various clubs for hosting our shoots. Just check our web-site for contact information and dates.

P.S. I HATE MOSQUITOS !!!!! **Wm. H. Murphy Jr.**

### From the Secretary

I want to thank everyone for another successful Hill Country Shootout! This includes our officers, the vendors, you the participants and everyone who helped. A tremendous thank you to Bugscuffle Ranch and Harriss and Jay Currie for sponsoring the shoot. The 2015 shoot will actually be the 20th year for the shoot to be at Bugscuffle. What an honor for our club! The date for next year is April 12 and 13, 2015.

I want to personally express my thank you to Nan Decker for her help both days inside the tent!!!!

We want to extend our gratitude to Bryan Keeling for all the years he has worked so diligently to make this shoot a success and to promote TBoT and our youth program. For those of you who may not have known, Bryan underwent open heart surgery just prior to the HCS. He has made a remarkable recovery and is doing great and back to work. He has amazed us all, including his doctors. I am confident the Keeling family appreciates all the blessings and help.

Have a safe and enjoyable summer, **Brenda**

### Swims Like a Snake; Looks Like a Snake, But it ain't a Snake!

by

Bob Morrison

The mosquitoes were attacking fiercely; the Spring night was dark, and my nerves were a bit edgy as I walked the shoreline of a bayou that passed under Hwy. 73, just spitting distance from the north Pt. Arthur city limit sign. I was bowfishing for alligator garfish, when I saw the long, slinky critter near the shoreline.

Just ten minutes ago, I had killed a water moccasin that had caught a bullfrog. I was on full alert and spooky when I saw - in the beam of the headlight - a long, slender animal. "Oh, good gosh! Another moccasin!"

I stopped, drew, and aimed for the middle of the body. Spaloosh! The arrow pinned the animal to the bottom. I cautiously wrapped the fishing line around the Bear fishing drum, taking up slack until I was five or six feet from the thrashing animal. I pulled the animal ashore and dispatched it. Afterwards, I realized it wasn't a snake. It resembled a snake by its long slender body, but its other external features weren't reptilian. And, it wasn't an eel.

What was it? I didn't know, nor could I guess. In addition to its appearance, it had a pair of tiny front legs. An eel certainly doesn't have legs, I thought. Whatever it was, I made sure it was dead before I picked it up and took it back to my vehicle and put it in the ice-chest.

Later, on with my nerves calmed, I ricocheted an arrow off the back of a large gar. The angle of the shot was too flat for the arrow to penetrate, and the arrow merely glanced harmlessly into the air.

On the way to my vehicle, I saw another snaky critter near the shoreline. I pinned it to the bottom. I dragged the animal to shore and whacked it several times with the fishing arrow.

The next morning before going to the office, I checked a reference on the vertebrates of North America. The aquatic animal was a 3-toed

amphiuma, Amphiuma tridactylum. It is found in eastern Texas in sloughs, bayous, swamps, and sluggish streams. The body coloration is a dark brown on its back and a lighter brown on its belly. It definitely can bite!

The 3-toed amphiuma has a relative - 2-toed amphiuma, Amphiuma means - that is endemic in similar habitats of the coastal plain, from Virginia to eastern Louisiana. It is also found in peninsular Florida.

The first questions my sons asked were: What is it? Will it hurt you? Is it good to eat? I told them it would bite; it wasn't fit to eat; and it just makes good conversation around a bowhunting camp fire.

The last question was, "Can we hold 'em, and you take our picture?"

Dear TBOT,

Thank you so much for putting this hunt together for us. I really enjoyed killing my sheep. The experience was phenomenal! I enjoyed getting my first bowkill at Bugscuffle Ranch. Thank you again!

## Thank You Letter to TBOT

I have been shooting traditional bows for about 2 years now and I can't get enough of it. I was introduced to it at the LSBA youth hunt in October, 2011 at Bug Scuffle Ranch and began as a compound shooter. I never saw myself shooting traditional bows ever. The weekend of the hunt, I met some of the most amazing TBOT members who were nothing less than wonderful to me. Ranch manager Bryan Keeling, Debbie Keeling, Bud Murphy, Todd Smith, Bryant and Brenda Stein all contributed to the best weekend of my life. Since then, memories were made, bonds began and I knew it was the start of something great. I attended my first TBOT shoot in April of 2012 just 2 years ago and became HOOKED! The people were so nice, giving, and very helpful towards me. Coming from my compound back ground, yet still never have actually owned a bow period (just shot my friends' bows), that shoot made a huge impact on me. Bryan Keeling knew I was hooked and didn't own a bow and through his great kindness gave me one of his old bows! It is a Sarrels Longbow and I love it to this day. It being my only bow, I shot and shot...and SHOT and even made my first traditional kill on a Calico pig! I attended the 20th Annual Hill Country Shootout last year (April, 2013) and realized just how far I had truly come. Just starting the previous year with traditional, I earned my first buckle for 8th place in Women's longbow-wood. I even found myself helping teach more of the youth how to shoot! It was awesome. Bud Murphy, a special friend of mine showed a huge act of kindness as well and gave me his old Sarrels Bobcat Recurve! I couldn't believe my eyes and never once expected it. To this day I have won a total of 6 buckles (2 being 1st place) from the 6 shoots I have been to (Hill Country and Chester.) I couldn't have made it this far without many people close to me. God has blessed me with some amazing people in my life. To this day I still feel the need to thank them and everyone else I have met who is a part of TBOT for all they have done for me. I have never run into a bad experience with TBOT members. They are all such good examples for me to follow and it really teaches me how to give back and help others as they have done for me. I had a wonderful time as I always do and hated to leave once more. I made new friends and got to see old ones as well and it is always a blessing.

I just wanted to send a special thanks to Bryan and Bud for making such a huge donation to me and making my dreams of succeeding in Archery possible by having equipment. I feel so honored to own bows from these men who I look up to and love very much. Not to mention Todd, Debbie, Bryant, Brenda Stein and Mark Holman who have also helped me so much with my form, arrows and tips on how to make me the best shooter possible. I also owe a special thanks to Mike Smith who has provided me with transportation to and from the shoots and has been a great shooting buddy out on the range. You all mean the world to me as well as the rest of you who have helped me in any way that I have not mentioned. I can not thank you enough for getting me into something so wonderfully addicting! I think it is safe to say that I have officially switched to traditional over compound thanks to TBOT. You guys are a wonderful set of people. Thank you!

Sincerely, Madison Beard "Pay it Forward."

Well the shoot season has come to an end. As we all look forward to hunting season I would like to say Thank You to the clubs that sponsored a shoot this year. Our South Texas area had a very successful season. The shoots had great turn outs with a large number of kids showing up to participate (most for their very first time) and shoot. I look forward to working with each club again next year. As I close again Thank You and good luck to all for a bountiful hunting season.
